## NOTHING TO HIDE

The Blackbridge Series #3

**Native orchids aren't the only thing under threat...**

Park Ranger Will Travers is the new outsider in the small, tight-knit community of Blackbridge. But as a loner at heart, the only thing he needs is his work, and right now that means protecting the endangered orchids at the local motocross club. He just has to go up against the gorgeous club president who leaves him lost for words and tripping over his own tongue.

Fleur Lockhart has no desire to be responsible for the extinction of a species, but while Will might be tall, dark and handsome, he's also abrupt and sullen. Then someone starts dumping illegal waste and vandalising the track, and Will and Fleur are forced to work together to discover who is responsible.

As the bond between them grows, the attacks escalate, getting more and more deadly, and Fleur appears to be the target. Will they find the culprit before more than orchids are crushed to death?

### Book Details
